Grower Monthly Reporting Requirements

PUBLIC HEALTH DIVISION
Oregon Medical Marijuana Program

Overview of Training

- Who Needs to Report
- When to report
- Where to report
- What to report
- How to report
- How to pay Grower Fee

Who Needs to Report

- Growers OAR 333-008-0630
 - **IF ANY ONE OF THE BELOW ARE TRUE:**
 - I am not growing for myself;
 - Growing at a grow site address where there are more than 12 mature plants;
 - Growing at a grow site address that is not the patient's residence;
 - Selling excess usable medical marijuana, seeds or immature plants to OHA medical processors or medical dispensaries
- Even if you are only growing for yourself you may still need to report OAR 008-0630 (1)

When to Report

- Tracking begins June 1, 2016
- First report is due to OHA by July 10, 2016
- Reporting is due by the 10th of each month thereafter for the prior month's activity

Where to Report

Growers, Processors and Dispensaries

OMMPSYSTEM.OREGON.GOV

What to Report - Grower

There are two different types of growers with different reporting requirements.

If you are transferring excess medical marijuana to OHA medical processors or medical dispensaries:

- The number of immature and mature marijuana plants and amount of usable marijuana transferred to each patient;
- The amount of usable marijuana transferred to each registered processing site through an agreement with the patient; and
- The number or amount of seeds, immature marijuana plants and usable marijuana transferred to each dispensary through an agreement with the patient.

What to Report - Grower

If you are growing at a grow site address where more than 12 mature plants are produced OR growing at a grow site that is not the patient's residence:

- The number of immature and mature marijuana plants, amount of marijuana leaves and flowers being dried, and the amount of usable marijuana in possession at the end of the month.

AND

- Everything listed on the slide before

Oregon Medical Marijuana Online System

Home Help

Create an Account

The first step for any Oregon Medical Marijuana participant is to create an account. Please fill out the form below to continue the process. This account will allow for the creation of multiple Processing Site Applications and/or register as a Grower.

Note: If you are applying as a Grower, your First and Last names must match exactly with what is on file with the OMMP Program.

First Name

Last Name

Email

Password

- Password must be at least 6 characters long.
- Password must contain at least one special character (*^%\$#@!~).
- Password must contain at least one numeric (0-9).
- Password must contain at least one uppercase letter (A-Z).

Confirm password

First Name Only

Growers and Processors – This creates your log in and the same email is used for both. Once your log in is created, you will choose to become a grower, processor or both.

Last Name – Include suffixes as Jr or III and Hyphenated names in the last name field

Growers: When you create your account make sure the spelling of your name is the same as what is on your grower card.

Account Options

Processing Site:

Select **Apply Now** to submit and pay for an Oregon Medical Marijuana Program (OMMP) processing site registration application.

You have the ability to submit an application, and application fee, for multiple processing sites under this single account. Once you have completed submission and payment of an application, simply select this link again to submit additional applications. You will need to submit an individual application for each processing site you wish to register. You will be able to manage each processing site application you submit from this single account.

Once your application is submitted you can manage each application and attach the **additional documentation** required by the Oregon Health Authority. Please remember you must attach the additional documentation for each application you submit.

For more information on application requirements, see our website on [How to Apply](#)

Apply Now

Grower:

If you are a designated Oregon Medical Marijuana Program (OMMP) grower and have a current, valid **Grower Card Number** or **Registration Number** select the **Connect to Grower Information** button below to connect to your OMMP grower information.

To complete access set-up, you will need to enter either your current **Grower Card Number** or **Registration Number** as well as your **Government Issued Identification Number** currently on file with OMMP. The government issued identification number most often submitted and filed with OMMP is your driver's license, passport, or military ID.

Connect to Grower Information

This is where you connect to your grower information or submit application(s) to register a processing site

Janie Doe (testommp@gmail.com)

Grower Registration

Note:

In order to successfully connect to your Oregon Medical Marijuana Program (OMMP) Grower Information the First and Last Name connected to the account you are currently logged in with must match exactly your name as currently on file with OMMP. The government issued Identification Number and Grower Card Number or Registration Number entered must also match the information that is currently on file with OMMP.

The First and Last name connected to the account you are currently logged in with is:

- First Name: Janie
Last Name: Doe

If the First and Last name above is not designated as a grower with the OMMP then you cannot proceed. Only OMMP designated growers may connect to their grower information.

Grower Information

To connect to your grower information please enter:

- Your Government Issued Identification Number currently on file with the Oregon Medical Marijuana Program (OMMP). The government issued identification number most often submitted and filed with the OMMP is your driver's license, passport, or military ID.
Your current, valid Grower Card Number or Registration Number

All information must be an exact match to what is on file with OMMP.

Grower Cards (3) Inventory

Only issued grower cards appear. If you are on a pending application that information will NOT appear until your grower card has been issued. If you have a grower card for a patient who is not listed in your account, please have the card number ready and contact the OMMP. Invalidated grower cards will continue to appear for 45 days so you can submit your final inventory.

- The most common reasons for invalidated grower cards are:
- The card expired.
 - The grower did not pay the required grow site registration fee.
 - The grower was removed or replaced by the patient.

Summary page of patients

Payment is required for Card(s) below.

Payments can take up to 2 business days to process through the system. If you have not yet paid, please click the Unpaid button below to make a payment for that Card.

		No inventory to report for May 2016? <input type="checkbox"/>				

To be used to enter total on-site inventory at the end of the month

The screenshot shows a web browser window with the URL <http://oms-test.dhsosha.state.or.us/Home/MyAccount>. The page title is "Oregon Medical Marijuana Online System". The user is logged in as "Janie Doe (MMGR607808)".

The main content area displays a table with the following data:

Month	Year	Inventory
May	2016	No inventory to report for May 2016? <input type="checkbox"/>

Buttons for "Update Onsite Inventory for May 2016" and "Report Monthly Inventory for May 2016" are visible. A modal window titled "Onsite Inventory" is open, showing the following form fields:

- Onsite Inventory for : May 2016**
- Mature Plants** (total count):
- Immature Plants** (total count):
- Usable Marijuana**: grams
- Leaves and Flowers being dried**: grams
- Seeds** (total count):

A red box highlights the text "Inventory at end of the month" overlaid on the table.

The screenshot shows the Oregon Medical Marijuana Online System interface. A modal window titled "Onsite Inventory" is open, displaying the following data for May 2016:

Category	Value	Unit
Mature Plants (total count)	8	
Immature Plants (total count)	10	
Usable Marijuana	1	grams
Leaves and Flowers being dried	1	grams
Seeds (total count)	100	

The background interface shows a user profile for "Janie Doe (MMGR607808)", a "Grower Cards (3) Inventory" section, and a table with columns for "Month", "Year", and "Inventory". The table shows "May 2016" with a value of "0" for "Mature Plants On site".

Usable marijuana = Dried leaves and flowers

Grower Cards (3) Inventory

Only issued grower cards appear. If you are on a pending application that information will NOT appear until your grower card has been issued. If you have a grower card for a patient who is not listed in your account, please have the card number ready and contact the OMMP. Invalidated grower cards will continue to appear for 45 days so you can submit your final inventory.

The most common reasons for invalidated grower cards are:

- The card expired.
- The grower did not pay the required grow site registration fee.
- The grower was removed or replaced by the patient.

Payment is required for Card(s) below.

Payments can take up to 2 business days to process through the system. If you have not yet paid, please click the **Unpaid** button below to make a payment for that Card.
