RULE SUMMARY

The Oregon Health Authority, Public Health Division is proposing to permanently adopt administrative rules in chapter 333, division 8 pertaining to limited marijuana retail sales due to the passage of SB 460 (Oregon Laws 2015, chapter 784).

The Oregon Health Authority is adopting OAR 333-008-1500 to allow for the retail sales of limited marijuana products; require warning posters and the provision of accompanying materials informing individuals of the potential health risks associated with the use of marijuana; apply a tax of 25 percent with the retail sale of marijuana starting on or after January 4, 2016; outline required documentation of marijuana retail products sold; and to require a dispensary to verify that the individual purchasing retail marijuana products is 21 years of age. OAR 333-008-1501 is being adopted to require dispensaries to post certain signs. OAR 333-008-1505 is being adopted to require the reporting of data to the Authority.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
