Application Process

(1) On or after 8:30 a.m. Pacific Standard Time (PST) January 4, 2016, a person may submit an application to the Commission, on a form prescribed by the Commission, for a marijuana producer, processor, wholesaler, retail, or laboratory license.

(2) An application for a license and all documentation required in the application instructions and in section (4) of this rule must be submitted electronically, via the Commission's website <http://XXXX>. The application fee specified in OAR 845-025-XXXX must also be paid through the Commission's on-line payment system at the time of application.

(3) An application must include the names and other required information for all individuals who are applicants as described in OAR 845-025-XXXX and who are not applicants but who have a "financial interest" in the business, as defined in OAR 845-025-XXXX.

(4) In addition to submitting the application form the following must be submitted:

(a) If required for an individual on the application:

(A) Information or fingerprints for a criminal background check in accordance with OAR 845-025-XXXX; and

(B) An Individual History Form and any information identified in the form that is required to be submitted;

(b) A map or sketch of the premises proposed for licensure, including the defined boundaries of the premises;

(c) A floor or plot plan sketch of all enclosed areas with clear identification of walls, partitions, counters, windows, all areas of ingress and egress, and all limited access areas;

(d) Proof of lawful possession of the premises proposed for licensure;

(e) An operating plan that demonstrates at a minimum, how the applicant's proposed premises and business will comply with the applicable laws and rules regarding:

(A) Security;

(B) Employee qualifications and training;

(C) Transportation of product;

(D) Preventing minors from entering the licensed premises; and

(E) Preventing minors from obtaining or attempting to obtain marijuana items.

(f) For producers:

(A) The proposed canopy size and tier as described in OAR 845-025-XXXX and a designation of the canopy area within the license premises.

(B) A report describing the applicant's electrical and water usage, on a form prescribed by the Commission. An applicant may estimate projected water and electricity usage, but must make a reasonable, good faith effort to accurately assess anticipated usage, taking into account all portions of the licensed premises and expected requirements of the operation.

(C) A description of the growing operation including growing media, a description of equipment to be used in the production, and whether production will be indoor, outdoor or both.

(D) Proof of a water right or a statement that water is supplied from a public water system as that is defined in OAR 333-061-0020 or from an irrigation district, along with the name of the water system or irrigation district.

(g) For processors:

(A) On a form prescribed by the Commission, the proposed endorsements as described in OAR 845-025-XXXX.

(B) A description of the type of products to be processed, a description of equipment to be used, including any solvents, gases, chemicals or other compounds used to create extracts or concentrates.

(5) The Commission must review an application to determine if it is complete. An application will be considered incomplete if an application form is not complete, the full application fee has not been paid, or some or all of the additional information required under section (4) of this rule is not submitted.

(6) An applicant may submit a written request for reconsideration of a decision that an application is incomplete. Such a request must be received by the Commission within ten days of the date the incomplete notice was mailed to the applicant. The Commission shall give the applicants the opportunity to be heard if an application is rejected. A hearing under this subsection is not subject to the requirements for contested case proceedings under ORS 183.310 to 183.550.

(7) If, prior to an application being acted upon by the commission, there is a change with regard to who is an applicant or who is a person with a financial interest in the proposed business, the new applicant or person with a financial interest must submit a form, prescribed by the commission, that:

(a) Identifies the individual or person;

- (b) Describes the individual's or person's financial interest in the business proposed for licensure; and
- (c) Includes any additional information required by the commission, including but not limited to information and fingerprints required for a criminal background check.
- (8) Failure to comply with subsection (6) of this rule may result in an application being denied.

(d) For purposes of this section, square footage of canopy space is measured starting from the outer most point of the furthest mature flowering plant in a designated growing space and continuing around the outside of all mature flowering plants located within the designated growing space.

(e) A producer may designate multiple grow canopy areas at a licensed premises but those spaces must be separated by a physical boundary such as an interior wall or by at least 10 feet of open space.

(3) Canopy Size Limit – Designation and Increases.

(a) A producer must clearly identify designated canopy areas and proposed canopy size in the initial license application. A producer may change a designated canopy area with prior written notice to Commission, but a producer may only increase tier canopy size at the time of renewal in accordance with subsection (b) of this section.

(b) A producer may submit a request for an increase in canopy size at the time the producer submits an application for renewal of the license. The Commission will grant a request to increase canopy size for the producer's next licensure term if:

(A) The producer's renewal application is otherwise complete;

(B) There are no bases to deny or reject the producer's renewal application;

(C) The producer has not already reached the applicable maximum canopy size set forth in section (2) of this rule; and

(D) During the preceding year of licensure, the producer has not been found to be in violation, and does not have any pending allegations of violations of chapter 1, Oregon Laws 2015, chapter 614, Oregon Laws 2015, or these rules.

(c) The Commission shall give a producer an opportunity to be heard if a request is rejected under this section, but the producer does not have a right to a contested case proceeding under ORS chapter 183.

(4) Mixed cultivation methods.

(a) A producer may produce marijuana indoor and outdoor at the same time on the same licensed premises. The Commission must be notified of a producer's plan to engage in the indoor and outdoor production of marijuana at the time of initial licensure or at renewal, and not at any other time.

(b) The Commission must approve the canopy size applicable to each method.

(c) The Commission will use a 4:1 ratio, for outdoor and indoor respectively, to allocate canopy size limits under this section, not to exceed the sum canopy size limits set forth in section (2) of this rule. For example, if a Tier II producer in the first year of licensure has X square feet of indoor canopy space, then the producer may have up to X square feet of outdoor canopy space at the same time.

(5) **Violations.** Violation of this rule is a Category X violation and may result in license revocation.

Pesticides, Fertilizers and Agricultural Chemicals

(1) **Pesticides.** A producer may only use pesticides in accordance with [cross reference ODA's rules]

(2) **Fertilizers, Soil Amendments, Growing Media.** A producer may only use fertilizer, soil amendments, crop aids, soil or similar growing media that are non-toxic and have not been adulterated.

(3) A producer may not treat or otherwise adulterate usable marijuana with any chemical, biologically active drug, plant, substance, including nicotine, or other compound that has the effect or intent of altering the usable marijuana's color, appearance, weight or smell.

(4) In addition to other records required by these rules, a producer must maintain, at all times and on the licensed premises:

(a) The material safety data sheet (MSDS) for all pesticides, fertilizers or other agricultural chemicals used by the producer in the production of marijuana;

(b) The original label or a copy thereof for all pesticides, fertilizers or other agricultural chemicals used by the producer in the production of marijuana, and

(c) A log of all pesticides, fertilizers or other agricultural chemicals used by the producer in the production of marijuana. The log must include:

(A) The name of the product used;

(B) The name of the person applying the product;

(C) The date of application;

(D) The amount applied at each application; and

(E) The unique identification tag number of the cultivation batch or individual mature marijuana plant to which the product was applied, or if applied to all plants on the licensed premises a statement to that affect.

(5) A producer may maintain the records required under this rule in electronic or written form. If electronic, a producer shall maintain a backup system or sufficient data storage so that records are retained for no less than two years after harvest of any marijuana on which documented products were used. If written, a producer shall ensure that the records are legible and complete, shall keep them in a safe and secure location, and shall retain the records for no less than two years after harvest of any marijuana on which documented products were used.

(6) A producer must make the records required under this rule immediately available during an premises inspection by a Commission regulatory specialist. If the Commission requests copies of the records at any time other than during a premises inspection, a producer shall produce the records within 72 hours of the request.

(7) A violation of sections (1) to (4) of this rule is a Category 1 violation and could result in license revocation.

(8) A failure to keep complete records as required by this rule is a Category III violation. A failure to keep records on the licensed premises, or failure to timely produce records, is a Category IV violation.

Medical Marijuana Grow Site Opt-In

(1) For purposes of this rule:

(a) “Grower” means a person responsible for a marijuana grow site as that term is defined in OAR 333-008-0010.

(b) “Grow site” has the meaning given that term in OAR 333-008-0010.

(c) “Patient” has the same meaning given that term in OAR 333-008-0010.

(2) A grower may apply for a Producer license to produce marijuana at the same location as a grow site only if all growers producing marijuana at that address are listed on the application.

(3) In addition to the requirements of [x-ref license application rule], the applicants must provide proof that each patient for whom the applicants are producing marijuana at the grow site proposed to be licensed has granted permission for the applicants to apply for a license and sell excess usable marijuana and immature plants to licensees of the Commission.

(4) If the Commission approves the application and issues a producer license to the applicants the licensees may not possess more than the amount of usable marijuana or marijuana plants permitted under ORS 475.300 to 475.346 unless the licensed premises ceases to be registered as a grow site with the Oregon Health Authority (OHA).

(5) If the licensed premises ceases to be registered as a grow site with the Oregon Health Authority, the licensee must notify the Commission within 5 days and provide proof that no growers or patients are registered by OHA at the licensed premises.

(6) A licensee licensed under this rule must record in the Commission’s seed to sale system within five days of initial licensure, all mature and immature marijuana plants and usable marijuana on the licensed premises.

(7) A producer, licensed under this rule:

(a) Is subject to these rules with the exception of [start-up inventory rule];

(b) Must comply with the duties, functions and powers of a grower under ORS 475.300 to 475.346 and any rule adopted thereunder, except that a grower is not subject to OHA’s requirements related to the reporting or tracking of mature marijuana plants and usable marijuana;

(c) May sell usable marijuana or immature plants in excess of amounts produced for a patient, to other licensees, in accordance with these rules; and

(d) May, notwithstanding section 6, chapter 614, Oregon Laws 2015, transfer marijuana and usable marijuana to other registrants under ORS 475.300 to 475.346 in accordance with any rules adopted by the OHA.

Retailer Operational Requirements

- (1) A retailer may:
 - (a) Only receive marijuana items from a producer, wholesaler, processor or laboratory.
 - (b) Only sell marijuana items to a consumer from the licensed premises, unless sale is made pursuant to a bona fide order as described in [cross reference].
 - (c) Only sell up to the following amounts at any one time to a consumer within a 24 hour period:
 - (A) One ounce of usable marijuana;
 - (B) 16 ounces of a cannabinoid product in solid form;
 - (C) 72 ounces of a cannabinoid product in liquid form;
 - (D) Five grams of cannabinoid extracts or concentrate, whether sold alone or contained in an inhalant delivery system; and
 - (E) Four immature marijuana plants.
 - (d) Refuse to sell marijuana items to a consumer.
 - (e) Only sell to consumers between the hours of 8:00 a.m. and 10 p.m., PST.
- (2) A retailer may not:
 - (a) Provide free samples of a marijuana item to a consumer;
 - (b) Sell or give away pressurized containers of butane or other materials that could be used in the home production of marijuana extracts.
 - (c) Require a consumer to purchase other products or services as a condition of purchasing a marijuana item or receiving a discount on a marijuana item.
 - (d) Sell a marijuana item for less than the cost of acquisition.
 - (e) Provide coupons or offer discounts, except that uniform volume discounts are permitted.
 - (f) Permit consumers to be present on the licensed premises or sell to a consumer between the hours of 10:00 p.m. and 8:00 a.m. PST the following day.
- (3) A retailer's pricing on marijuana items must remain consistent during each business day.
- (4) Prior to completing the sale of a marijuana item to a consumer a retailer must verify that the consumer has a valid, unexpired government-issued photo identification and must verify that the consumer is 21 years of age or older by viewing the consumer's:
 - (a) Passport;
 - (b) Driver license, whether issued in this state or by any other state, as long as the license has a picture of the person;
 - (c) Identification card issued under ORS 807.400;
 - (d) United States military identification card; or

(e) Any other identification card issued by a state that bears a picture of the person, the name of the person, the person's date of birth and a physical description of the person.

(5) Marijuana items offered for sale by a retailer must be stored in such a manner that the items are only accessible to authorized representatives until such time as the final sale to the consumer is completed.

(6) For purposes of this rule "coupon" means any coupon, ticket, certificate token or any other material that a person may use to obtain a price reduction or rebate in connection with the acquisition or purchase of a marijuana item,

Retailer Premises

(1) The licensed premises of a retailer:

(a) May not be located in an area that is zoned exclusively for residential use.

(b) May not be located within 1,000 feet of:

(A) A public elementary or secondary school for which attendance is compulsory under ORS 339.020; or

(B) A private or parochial elementary school, teaching children as described in ORS 339.030.

(c) Must be enclosed on all sides by permanent walls and doors.

(2) A retailer must post in a prominent place signs at every:

(a) Point of sale that read:

(A) "No Minors Permitted Anywhere on the Premises"; and

(B) "No On-Site Consumption".

(b) Exit from the licensed premises that reads: "Marijuana or Marijuana Infused Products May Not Be Consumed In Public".

(3) A retailer must designate a consumer sales area on the licensed premises where consumers are permitted. The area shall include the portion of the premises where marijuana items are displayed for sale to the consumer and sold and may include other contiguous areas such as a lobby or a restroom. The consumer sales area is the sole area of the licensed premises where consumers are permitted.

(4) All inventory must be stored on the licensed premises.

(5) For purposes of determining the distance between a retailer and a school referenced in subsection (1)(b) of this rule, "within 1,000 feet" means a straight line measurement in a radius extending for 1,000 feet or less in any direction from the closest point anywhere on the boundary line of the real property comprising a school to the closest point of the licensed premises of a retailer. Delivery of Marijuana Items by Retailer

- (1) A marijuana retailer may deliver a marijuana item to a primary residence in Oregon subject to compliance with this rule. For purposes of this rule “primary residence” means a dwelling such as a house or apartment but does not include a hotel, motel, bed and breakfast or similar commercial business.
- (2) Delivery Approval Process.
 - (a) The retailer must request approval from the Commission prior to undertaking delivery service of marijuana items, on a form prescribed by the Commission that includes a statement that the retailer understands and will follow the requirements for delivery listed in this rule.
 - (b) The retailer must receive written approval from the Commission prior to making any deliveries.
 - (c) The Commission may refuse to review any request for approval that is not complete and accompanied by the documents or disclosures required by the form.
 - (d) If the Commission denies approval the Commission shall give a retailer the opportunity to be heard but denial of approval is not subject to the requirements for a contested case proceeding under ORS Chapter 183.
- (3) Bona Fide Orders.
 - (a) A bona fide order must be received by an approved retailer from the individual requesting delivery, before 4:00 p.m. on the day the delivery is requested.
 - (b) The bona fide order must contain:
 - (A) The individual requestor’s name, date of birth, the date delivery is requested and the address of the residence where the individual would like the items delivered;
 - (B) A document that describes the marijuana items proposed for delivery and the amounts; and
 - (C) A statement that the marijuana is for personal use and not for the purpose of resale.
- (4) Delivery Requirements.
 - (a) A retailer licensee may only deliver to one consumer up to:

- (A) One ounce of usable marijuana;
 - (B) 16 ounces of cannabinoid products in solid form;
 - (C) 72 ounces of cannabinoid products in liquid form;
 - (D) Five grams of cannabinoid extracts or concentrate, whether sold alone or contained in an inhalant delivery system; and
 - (E) Four immature marijuana plants.
- (b) Deliveries must be made before 9:00 p.m. PST and may not be made between the hours of 9:00 p.m. and 8:00 a.m. PST.
- (c) The marijuana retailer may only deliver to the individual who placed the bona fide order and only to individuals who are 21 years of age or older.
- (d) At the time of delivery the individual performing delivery must check the identification of the individual to whom delivery is being made in order to determine that it is the same individual who submitted the bona fide order, that the individual is 21 years of age or older, and must require the individual to sign a document indicating that the items were received.
- (e) A marijuana retailer may not deliver a marijuana item to an individual who is visibly intoxicated at the time of delivery.
- (f) Deliveries may not be made more than once per day to the same physical address or to the same individual.
- (g) Marijuana items delivered to an individual's residence must:
- (A) Comply with the packaging rules in OAR 845-025-XXXX to 845-025-XXXX; and
 - (B) Be placed in a larger delivery receptacle that has a label that reads: "Contains marijuana: Signature of person 21 years of age or older required for delivery".
- (h) A retailer may not carry or transport at any one time more than a total of \$5,000 worth of marijuana items designated for retail delivery.
- (i) All marijuana items must be secured inside the delivery vehicle or on the person of the individual doing the deliveries at all times.
- (j) A manifest must be created for each delivery or series of deliveries and the individual doing the delivery may not make any unnecessary stops between deliveries or deviate substantially from the manifest route.
- (5) Documentation Requirements. A marijuana retailer must document the following regarding deliveries:
- (a) The bona fide order and the date and time it was received by the retailer;
 - (b) The date and time the marijuana items were delivered;
 - (c) A description of the marijuana items that were delivered;
 - (d) Who delivered the marijuana items; and
 - (e) The name of the individual to whom the delivery was made and the delivery address.
- (6) A retailer is only required to maintain the name of an individual to whom a delivery was made for one year.
- (7) Sanction. A violation of any section of this rule that is not otherwise specified in OAR 845-025-XXXX is a Category X violation.

 - (b) Cannabinoid topical processor;
 - (c) Cannabinoid concentrate processor; and
 - (d) Cannabinoid extract processor.
- (2) An applicant must request an endorsement upon submission of an initial application but may also request an endorsement at any time following licensure.
- (3) In order to apply for an endorsement an applicant or processor licensee must submit a form prescribed by the Commission that includes a description of the type of products to be processed, a description of equipment to be used, and any solvents, gases, chemicals or other compounds proposed to be used to create extracts or concentrates.
- (4) Only one application and license fee is required regardless of how many endorsements an applicant or licensee requests or at what time the request is made.
- (5) An individual processor licensee may hold multiple endorsements.
- (6) For the purposes of endorsements any cannabinoid product that is intended to be consumed orally is considered a cannabinoid edible.
- (7) If a processor is no longer going to process the product for which the processor is endorsed the processor must notify the Commission in writing and provide the date on which the processing of that product will cease.

- (3) The process for making each product;
- (4) The number of servings in a process lot;
- (5) The intended amount of THC per serving of the product.
- (6) The process for making each process lot homogenous.
- (7) If processing a cannabinoid concentrate or extract:
 - (a) Conducting necessary safety checks prior to commencing processing;
 - (b) Purging any solvent or other unwanted components from a cannabinoid concentrate or extract;
- (8) Procedures for cleaning all equipment, counters and surfaces thoroughly.
- (9) Proper handling and storage of any solvent, gas or other chemical used in processing or on the licensed premises in accordance with material safety data sheets and any other applicable laws.
- (10) Proper disposal of any waste produced during processing in accordance with all applicable local, state and federal laws, rules and regulations.
- (11) Quality control procedures designed to maximize safety and minimize potential product contamination.

- (b) Share a food establishment with a person not licensed and endorsed by the Commission as a cannabinoid edible processor; or
- (c) Process cannabinoid edibles and food that does not contain cannabinoids in the same food establishment.

(3) A cannabinoid edible processor may share a food establishment with another cannabinoid edible processor if:

(a) The schedule, with specific hours and days that each processor will use the food establishment, is prominently posted at the entrance to the food service establishment and has been approved by the Commission:

(A) The schedule must be submitted to the Commission in writing and will be approved if it demonstrates that use of a shared food establishment by multiple cannabinoid edible processors does not create an increased compliance risk.

(B) A processor licensee may only change the schedule with prior written approval from the Commission.

(b) Each licensee designates a separate area to secure, in accordance with OAR 845-025-XXXX [cross reference security rules] any marijuana, cannabinoid products, concentrates or extracts

that a licensee stores at the food establishment. If a cannabinoid edible processor does not store marijuana, cannabinoid products, concentrates or extracts at the food establishment those items must be stored on a licensed premises.

(B) Only use a non-hydrocarbon-based solvent that is food-grade.

(C) Work in an environment with proper ventilation, controlling all sources of ignition where a flammable atmosphere is or may be present.

(D) Use only potable water and ice made from potable water in processing.

(2) **Cannabinoid Extracts.** A processor with an endorsement to make cannabinoid extracts:

(a) May not use pressurized canned butane.

(b) Must:

(A) Process in a:

(i) Fully enclosed room clearly designated on the current diagram of the licensed premises.

(ii) Spark proof room equipped with evacuation fans and lower explosive limit (LEL) detectors.

(B) Use a commercially manufactured professional grade closed loop extraction system designed to recover the solvents and built to codes of recognized and generally accepted good engineering practices, such as:

(i) The American Society of Mechanical Engineers (ASME);

(ii) American National Standards Institute (ANSI);

(iii) Underwriters Laboratories (UL); or

(iv) The American Society for Testing and Materials (ASTM).

(C) If using CO₂ in processing, use a professional grade closed loop CO₂ gas extraction system where every vessel is rated to a minimum of nine hundred pounds per square inch.

(D) Have equipment and facilities used in processing approved for use by the local fire code official;

(E) Meet any required fire, safety, and building code requirements specified in:

(i) [Oregon statutory reference]

- (ii) National Fire Protection Association (NFPA) standards;
- (iii) International Building Code (IBC);
- (iv) International Fire Code (IFC); and

(F) Have an emergency eye-wash station in any room in which cannabinoid extract is being processed.

(G) Have all applicable material safety data sheets readily available to personnel working for the processor;

Laboratory Licensing Requirements

(1) General Requirements

- (a) A laboratory that intends to test marijuana items for producer, processor, wholesale or retail licensees must be licensed by the Commission.
- (b) An applicant for a license under this rule must comply with all applicable application requirements in OAR 845-025-xxxx (general licensing requirements) and pay the required application and license fees.
- (c) A laboratory application is subject to the same application review procedures as other applicants
- (d) In addition to the denial criteria in OAR 845-025-XXXX, the Commission may refuse to issue a laboratory license for any violation of sections 91 to 99, chapter 614, Oregon Laws 2015, sections 3 to 70, chapter 1, Oregon Laws 2015, or these rules.
- (e) Laboratory application and license fees are established in OAR 845-025-xxxx.

(2) Accreditation by the Oregon Health Authority

- (a) In addition to the requirements listed in section (1) of this rule, an applicant for a laboratory license must be accredited by the Authority prior to exercising the licensed privileges in OAR 845-025-XXXX.
- (b) An applicant for a license under this rule may apply for licensure prior to receiving accreditation, but the Commission will not issue a license until proof of accreditation is received.
- (c) The Commission may make efforts to verify or check on an applicant's accreditation status during the licensing process, but an applicant bears the burden of taking all steps needed to secure accreditation and present proof of accreditation to the Commission.
- (d) In addition to the denial criteria in OAR 845-025-XXXX, the Commission may consider an application incomplete if the applicant does not obtain accreditation from the Authority within six months of applying for a license. The Commission shall give an applicant an opportunity to be heard if an application is declared incomplete under this section, but an applicant is not entitled to a contested case proceeding under ORS chapter 183. An applicant whose application is declared incomplete may reapply at any time.

(e) A licensed laboratory must maintain accreditation by the Authority at all times while licensed by the Commission. If a laboratory's accreditation lapses, is revoked or is suspended at any time for any reason while licensed by the Commission, the Commission shall consider the license immediately suspended, and the laboratory may not engage in any activities permitted under the license until accreditation is reinstated.

(f) Exercising license privileges while accreditation is suspended or revoked is a Category I violation and could result in license cancellation.

(3) Renewal.

(a) A laboratory must renew its license annually and pay the required renewal fees in accordance with OAR 845-025-xxxx.

(b) A laboratory renewal application may be denied for any violation of sections 91 to 99, chapter 614, Oregon Laws 2015, sections 3 to 70, chapter 1, Oregon Laws 2015, or these rules.

(1) A laboratory licensee is required to utilize METRC and follow all requirements established by OAR 845-025-xxxx to OAR 845-025-xxxx (general requirements).

(2) A laboratory licensee is responsible for tracking and entering the following information into METRC:

(a) Receipt of samples for testing, including:

(A) Size of the sample;

(B) Name of licensee from whom the sample was obtained;

(C) Date the sample was collected; and

(D) UID tag information associated with the harvest or process lot from which the sample was obtained.

(b) Tests performed on samples, including:

(A) Date testing was performed;

(B) What samples were tested for;

(C) Name of laboratory responsible for testing; and

(D) Results of all testing performed.

(c) Disposition of any testing sample material.

Labeling, Storage, and Security of Pre-Tested Marijuana Items

- (1) Following samples being taken from a harvest or process lot a licensee must:
 - (a) Label the harvest or process lot with the following information:
 - (A) The laboratory doing the samples;
 - (B) The test batch samples numbers, once known;
 - (C) The date the samples were taken;
 - (D) The harvest or process lot number;
 - (E) The licensee's license number; and
 - (F) In bold, capital letters, no smaller than __ font, "PRODUCT NOT TESTED".
 - (b) Store and secure the harvest or process lot in a manner that prevents the product from being tampered with or sold prior to test results being reported.
- (2) A harvest or process lot may be stored in more than one receptacle as long as the labeling requirements are met.
- (3) If the samples pass testing the product may be sold in accordance with the applicable Commission rules.
- (4) If the samples do not pass testing the licensee must comply with OAR 845-025-XXXX.

Packaging and Labeling Pre-approval Process

(1) Prior to a marijuana item being sold to a consumer, a licensee or a registrant, if pre-approval is required by the Authority, packaging marijuana items for ultimate sale to a consumer must submit a prototype of the packaging complete with labels affixed to the package for pre-approval by the Commission. The packaging and labels must be accompanied by the following:

(a) A fee as specified in OAR 845-025-XXXX; and

(b) Information including but not limited to:

(A) The licensee's license number or the registrant's registration number; and

(B) A picture of and description of the item to be placed in the package.

(2) The commission will evaluate the packaging and label in order to determine whether:

(a) The packaging:

(a) Is child resistant.

(b) Is marketed in a manner attractive to minors.

(c) Contains untruthful or misleading content.

(d) If the packaging is for a cannabinoid edible or other cannabinoid products, is attractive to minors.

(b) The label complies with the Authority's labeling rules, OAR 333-007-XXXX to 333-007-XXXX.

(3) The commission must review the packaging and labeling and notify the licensee or registrant whether the packaging and labeling is approved and if not approved, a description of the packaging or labeling deficiencies.

(4) If a licensee or registrant's packaging or labeling is deficient it must correct the deficiencies and resubmit the packaging for pre-approval, but the licensee or registrant is not required to submit an additional fee unless the packaging is found deficient for a second time in which case the licensee must resubmit the packaging or labeling in accordance with subsection (1) of this rule.

(5) If the label affixed to the package is not compliant with OAR 333-007-XXXX to 333-007-XXXX the package will not be approved.

(6) Packages and labels that have been previously approved do not need to be resubmitted if the only changes to the packaging or label are:

- (a) Changes in the:
 - (A) Harvest or processing date;
 - (B) Strain;
 - (C) Test results;
 - (D) Flavors of edible products;
 - (E) Net weight or volume; or
 - (F) Harvest or process lot numbers.
- (b) The deletion of any non-mandatory label information.
- (c) The addition, deletion or change in the:
 - (A) UPC barcodes or 2D mobile barcodes (QR codes); or
 - (B) Website address, phone number, fax number, or zip code of the licensee or registrant.
- (d) The repositioning of any label information on the package.

SEED-TO-SALE TRACKING

845-025-XXXX

Seed-to-Sale Tracking System Requirements

- (1) A licensee must:
 - (a) Use METRC as the primary inventory and recording keeping system.
 - (b) Have a METRC account activated and functional prior to operating or exercising any privileges of the license and must maintain an active account while licensed.
- (2) A licensee must have at least one license holder who is a METRC Administrator and a licensee may authorize additional license holders or licensee representatives to obtain Administrator accounts.
- (3) In order to obtain a METRC Administrator account, a license holder must attend and successfully complete all required METRC training. The Commission may also require additional ongoing, continuing education for an individual to retain his or her METRC Administrator account.
- (4) A licensee may designate licensee representatives as METRC Users. A designated user must be trained by a METRC Administrator in the proper and lawful use of METRC.
- (5) A licensee must:
 - (a) Maintain an accurate and complete list of all METRC Administrators and METRC Users for each Licensed Premises and must update the list when a new METRC User is trained.
 - (b) Train and authorize any new METRC Users before those Users are permitted to access METRC or input, modify, or delete any information in METRC.
 - (c) Cancel any METRC Administrator or User from an associated METRC account if that individual is no longer a licensee representative or the Administrator or User has violated OAR 845-025-XXXX to 845-025-XXXX .
- (6) A licensee is accountable for all actions licensee representatives take while logged into METRC or otherwise conducting inventory tracking activities.
- (7) Nothing in this rule prohibits a licensee from using secondary separate software applications to collect information to be used by the business including secondary inventory tracking or point of sale systems. Secondary software applications must use METRC data as the primary source of data and must be compatible with updating to METRC. If a licensee uses a separate software application it must:
 - (a) Accurately transfer all relevant METRC data to and from METRC for the purposes of reconciliations with any secondary systems.
 - (b) Preserve original METRC data when transferred to and from a secondary application.
- (8) If at any point a licensee loses access to METRC for any reason, the licensee must keep and maintain comprehensive records detailing all tracking inventory activities that were conducted during the loss of access.

- (a) Once access is restored, all inventory tracking activities that occurred during the loss of access must be entered into METRC.
- (b) A licensee must document when access to the system was lost and when it was restored.
- (c) A licensee may not transport any marijuana items to another licensed premises until such time as access is restored and all information is recorded into METRC.

Suspended Licenses: Posting of Suspension Notice Sign, Activities Allowed During Suspension

- (1) Before 7:00 a.m. on the date a license suspension goes into effect, and until the suspension is completed, Commission staff must ensure that a suspension notice sign is posted on each outside entrance or door to the licensed premises.
- (2) The suspension notice sign must be posted in a way that allows any person entering the premises to read it. Licensees must use the suspension notice sign provided by the Commission. The sign will state that the license has been suspended by order of the Commission due to violations of the recreational marijuana laws (statutes or administrative rule) of Oregon. If there are multiple licenses at the location, the sign will specify which license privileges have been suspended.
- (3) During the period of license suspension, the licensee is responsible for ensuring:
 - (a) Compliance with all applicable laws and rules, including compliance with all minor postings assigned to the premises under OAR 845-025-XXXX; and
 - (b) That the suspension notice sign is not removed, altered, or covered.
- (4) A licensee or licensee representative may not allow the sale, delivery to or from, or receipt of marijuana items at the licensed premises during the period of time that the license is under suspension. During a period of time that the license is under suspension, a recreational marijuana licensee may operate the business provided there is no sale, delivery to or from, or receipt of a marijuana item.
- (5) Sanction:
 - (a) A violation of section (4) of this rule is a Category I violation.
 - (b) A violation of sections (2) or (3)(b) of this rule is a Category IV violation.
